

WLPA Kick-off and January Meeting

6:00 pm Prayer and Pledge of Allegiance

Jill Fendt handed over the gavel to new LGA president, Tracy Hallen

Jamie Davison, new Director of Golf, introduced himself, and gave a brief synopsis of upcoming events and what direction he would like to see golf events go. He stated there are no new changes in the rules of golf and reminded everyone about the new GHIN system.

As this kick-off was a 30 year LGA celebration, former members of the LGA were invited to attend. Tracy introduced those attending. They were Vicky Gibboney, Mary Ann Conen, Mary Huebner, Bonnie McCormick and Marti Gainer.

As a part of past LGA noteworthy events, Tracy recognized Marilyn Henry for having 2 holes-in-ones-in 1 week. Those having a hole-in-one in 2019 were Colleen Dorrycott, Judy Nickel, Susie Meehan and Sherri Vogel.

Most improved player for 2019 was Georgia Harod.

T42 teams winning teams were announced. There were 4 azalea teams, with 1 winner. There were 20 Burden teams, with 7 winning teams.

Ringers winners were announced. There were 7 Burden teams, and 3 azalea teams. Four people posted no scores.

A vote was held to change Section 4 in the handbook to reflect the new GHIN guidelines. It was changed to "if a player completes 7-13 holes, then she must post a 9 hole score". Kathy Kalapos made a motion to pass this change, seconded by Jan Raatz. This vote was passed by a show of hands.

A vote was held to change Section 5 in the LGA handbook. It was changed to " Fifty four (54) holes or an index from GHIN based on rounds at a past club will be used to establish a handicap for 18 holes allowing the player to compete for awards." This voted pasted by a show of hands.

It was explained that a player can change tees anytime during the year one time only. If you change tees, your Ringer participation is finished for the year. T42 must be completed from the original tees.

Board members were introduced by Tracy, walking the red carpet and being handed stars. Board members and committee chairs can be found on the WLPGA website (woodsidelga.weebly.com).
