

WLPGA MINUTES

CSRA: Marion Hansen:

We had 43 women play in the CSRA Stroke Play event at Woodside on August 24. There will be no CSRA event in September. There will be a Stroke Play on Monday Oct. 19 at Cedar Creek. The deadline for that Oct. 3 to sign up.

The next CSRA event will be in Feb. 2021.

Woodside ended 2020 with 38 CSRA members. They are all eligible to play the 2021 season without having to pay a membership fee.

MEMBER-MEMBER: Carolyn Davis:

The Member/Member tournament will be held on Saturday October 31, so ladies should be thinking about finding a partner for this fun event. As in the past, 2-person teams will compete in a 9-hole scramble and 9-hole shamble format. More information will be coming out in a few weeks

SOCIAL; Nylda Eckhoff:

November 19 is the final LGA Scramble of the year. The theme will be “Honoring our Veterans”, and it is anticipated that we will be providing a grab and go breakfast for a member charge. Veterans from each branch of service will be on the course to add to the fun and make a few holes easier.

Should Covid 19 restrictions at the time allow for a seated breakfast, that option will be pursued.

Don't forget to sign up on Foretees for the World Series of Golf (formally known as the Solheim). Play dates are Oct 2, (9 holes better ball, 9 holes shamble) and Oct 3 (9 holes shamble). Lunch after play if possible, with a bag lunch available as well.

Respectively Submitted
