

WPLGA Board Minutes

6-3-2021

In Attendance: Karen Wirth, Dotty Hartnett, Vicky Muma, Alice Creamer, Lawrette McCann, Georgia Harod, Gwen Cameron, Nylda Eckhoff, Debbie Koon, Kim Crouse, Marion Hansen

Minutes from the May meeting were approved.

Treasurer's Report: Vicky Muma

There are 105 members, 54 Azalea and 51 Burden. There are 2 new members, Mary Bray and Judy Pauletich. There is \$5797.14 (not including the new member dues). There was a \$280 payout for ham and egg and Past presidents tournament. This does not include all of the amount due for the past president tournament as not all bills have come in. A complete breakdown will be at the end of the minutes.

Upcoming Events: Karen Wirth

Ham and Egg. There are 56 participants, with even teams at this time.

Play with the Pro: Currently we only have 4 possible pros. It was motioned, seconded and voted affirmative to place this event on hold until another pro is available. It will be revisited if we get another pro soon.

Scoring: Kim Crouse

The scoring committee has noticed a decline in the compliance with the requirements of play days. During the past two months we have seen/continue to see issues. Please make sure you:

- Write the name of attester on the card and birdie/chip in slips (signature not required)
- Only put an 'X' on the card when a player picks up on/does not play a hole
- If you are doing the math long hand on the card, do it on the opposite side of the card so that the gross scores and handicap are readable
- Complete the card and put it in the locker room box immediately after completing the round, not after a visit to the patio or Mulligans
- Post your score in GHIN immediately upon returning home
- Use the hole by hole entry option in GHIN if you are not confident in determining your max for a hole

Several years ago, when we went to using spreadsheets to assist in the scoring, a thorough review of LGA play day rules was completed. The overwhelming majority of rules were eliminated, significantly reducing the number of weekly disqualifications and increasing the fun. Many of the rules that were eliminated had been put in place as a result of players repeatedly making errors related to the cards which considerably slowed down the activity of scoring. The recent decline in compliance has been slowing down the process of scoring. The members of the committee put in a lot of time doing their tasks. We ask that you do your part to make our jobs as easy as possible.

If a tournament has a "name" such as ham and egg, member member, you can play both LGA play day and the tournament. (you can not play both on the same day). If it is a shotgun, you can not play both the shotgun and the LGA game.

CSRA: Marian Hansen:

Lady Pro is June 23 at Woodside. 3 more participants are needed to fill 2 pro teams and 1 amateur team. Volunteers are also needed. Please contact Marian to join a team or volunteer.

Team: Georgia Harod

Team play was today (6-3) at the Reserve Club. Woodside Division 1 played the Reserve and took 27.5 gross and 32 net points. Woodside Division 2 played Mount Vintage and took 25.5 gross and 23.5 net points. Current standing was not available.

Next team play is a 9 am shotgun July 8th at Bartram Trail. You may play behind the field and lunch is available for purchase. Cost to play is \$32.00

A reminder, if one plays team, you must post your own score as an away match, not a tournament score.

State: Lawrette McCann

Open for sign up are: 2 person BB at Shadowmoss Golf Club, Charleston, July 12, 2 BB of a foursome at Fox Run, Simpsonville, July 13, stroke play at CC of Hilton Head, July 21. Opening for sign up June 28th is stroke play at Cross Creek Plantation, Seneca. Play date is Aug 8. Website is wscga.org.

Rules: Gwen Cameron

Gwen will send out the local rules to the LGA reporter. She encourages you to print them and keep them for easy review.

When a hole doesn't count on an LGA day, ALL rules of golf apply except putting out. If you don't putt out, place an x on the hole so it will not count as a ringer.

It was questioned that if your ball is in a washout, is it a free drop if the area is not marked GUR and all players agree it is a washout. The answer is NO, you must play as it lies or take a penalty drop. This may be addressed as a possible local rule at future board meetings.

Social: Nylda Eckhoff

The May 15th shotgun had 56 golfers and 60 for lunch, including 8 past presidents. 2 members chose to have their lunch to go.

Moving forward, there will be a served buffet for the next 3 shotguns. There will also be 8 tops so that foursomes can sit together.

July 15th shotgun/ luncheon format is from the Royal tees and is a scramble. The theme is 60's surfing safari. The flyer should be out next week.

Matt Guy, a new employee, is the banquet coordinator for special events, serving as a liaison between the kitchen and dining. He is responsible for the transition from the kitchen to delivery to the table.

T42: Debbie Koon

45-46% of the rounds have been completed. There is 1 team that has not played any rounds.

LGA/9ers: No report

Announcements:

Georgia stated that someone came to her, stating that all play (shotguns, tournaments) should be from the same tees due flights not being equal. This will be passed to the planners of the events.

Next meeting August 19, 2021.

Respectively submitted

Dotty Hartnett
