Rules:

Last meeting, there was a question about hitting off an incorrect tee box, the penalty, how to correct and whether one had to correct it if the hole did not count for the LGA game. Here is clarification regarding that issue.

For the case in which a player hits from the incorrect set of tees, the LGA will continue to follow the USGA rule. For stroke play, this can be summarized as follows. *If a player tees off on any hole from the incorrect set of tees, they may at any time prior to teeing off on the next hole, hit another tee shot from the correct tees incurring a two stroke penalty on that hole. If the player fails to hit a tee shot from the correct tees prior to teeing off on the next hole, they are disqualified. If the tee shot from the incorrect tees occurs on their final hole played in the round, and they do not hit another tee shot from the correct tees prior to turning in their scorecard, they are disqualified.*

Here are the exact words from the Rules book.

(2) STROKE PLAY. The player gets the **general penalty (two penalty strokes)** and must correct the mistake by playing a ball from inside the teeing area:

The ball played from outside the *teeing area* is not *in play*.

That *stroke* and any more strokes before the mistake is corrected (including *strokes* made and any penalty strokes solely from playing that ball) do not count. If the player does not correct the mistake before making a *stroke* to begin another hole or, for the final hole of the *round*, before returning his or her scorecard, the player is **disqualified**.

SCORING: Kim Crouse:

In past years the Points subcommittee of the Scoring Committee has tracked who played each week throughout the year. No Board member foresees a need for this information in the future. To reduce the effort by the individuals in charge of tracking Points throughout the year, this data will no longer be tracked. The tracking will be limited to tracking how many points each player received each week and the total number of players who played that week.

CSRA: Marian Hansen

There are 2 CSRA events remaining. Tuesday October 19 is a 4 ball at Fort Gordon. You can play with any CSRA member. Deadline to sign up is 10-10. The year end CSRA tournament is a 3 day event, Nov 8, Nov 9 and Nov 11. Sign up is by 10-16.
