**Other Business -**

*Withdrawal Birdies/Chip-Ins:*

Starting May 4<sup>th</sup>, if you withdraw from the game, your birdie(s)/chip-in(s) will count.

**The following criteria must be met when you withdraw from the established and defined weekly game on Thursday/Saturday.**

- player must have declared they are playing the game on first tee box
- player must complete 14 or more holes
- it must be noted on scorecard player has withdrawn

The vote was unanimous on this decision.

**ABCD shotguns** – it was suggested that in the future ABCD shotguns are flighted by all participants index. For example: if there are 40 players, first 10 low indexes would be A players, next 10 B players and so on. This will mix up the field more. Players will play from there normal tee boxes. Each player must have 3 drives count in the game. This will be discussed further with Aaron and Sue.

**Match Play Tournament** – all expenses have been paid and the new Zero Sum Budget policy worked.

**Next Meeting:** May 4<sup>th</sup> @ 4:00 pm
