

March Shotgun/Luncheon and General Meeting
March 21, 2019

Thanks go out to Barbara Burns for leading us in the Pledge of Allegiance and Cathy Adams for reading the prayer.

Following a delicious luncheon, the meeting was called to order and the minutes from the March board meeting were approved.

Committees:

*The handicap committee reminded us to still post your score even when you withdraw from the game.

*Marion Hansen discussed the vote for allowing players to play from a forward tee. This new rule looks like it will be adopted by the CSRA.

*Reminders:

- The Exchange Day with the Reserve will be on Wednesday, June 5th.
- The Niners Shotgun and luncheon will be on Thursday, June 27th.

Pace of Play issues: Once again, slow play is becoming a problem. Last week, the slow play resulted in rounds over 5 hours and some players who were behind the slow group, dropped out. Remember that we are aiming to play in 4 to 4:15 hours. If groups are piling up behind you, you either need to speed up or let those groups play through. If you don't see the group in front of you, speed up. At this point, if this happens again, Jill will be contacting those slow players directly. These players will not be allowed to be in the front of the field but will need to play in the last groups. Even with this, this group will still need to be aware of their pace of play since regular players, who play behind the LGA, do not want to be held up. It's either this or being DQ'd that week, which we do not want to do. We want everyone to enjoy their round of golf, not be frustrated when waiting on every shot. Thank you for helping with this issue! We do not want the LGA to have a bad reputation!

The changes to the bi-laws, which are basically changing the names of committees to reflect what their roles are on the board. This was passed unanimously so Rita can now send out the new directory.

Tracy showed the video on the new local OB rule. The video and rule are on our website for reference.
