Bunkers – if you have an unplayable in the bunker, you are allowed to take it out with a 2 stroke penalty.

On the Green – if you are waiting for someone to get to the green and you are ready to putt, you may putt out without taking the pin out.

Drop – you may drop the ball knee length instead of shoulder length.

Gwen informed us she approached Jay and Rob regarding Month of October being Cancer awareness month. They are looking into getting pink balls, tees and shirts.

Our charity will be Cancer Hope Charity. This charity helps women who are under poverty level to help pay for everything they need.
