COMMITTEE REPORTS

DIRECTOR OF GOLF: Rob stated the pro shop is working on Masters Tee Times. Masters week starts March 31. He suggested when our members make a tee during Masters Week to book as a foursome, you will have a better chance of getting a tee time, rather than booking for a large group. For example if you have a group of 12 normally, book for 3 individual tee times. Also working on Pace of Play A good round should take 4 hrs and 15 minutes, you can monitor yourself by checking on the schedule in the carts. There is a Club Corp Poster that reads, Play in 4 hours.

Also, trying to monitor the carts that a group of 3 players does not have 3 carts.

Rob also clarified a question about moving the ball in a Bunker. You get a free lift if the lining interferes with your swing with no penalty. The rules say to recreate the lie, place the ball in the sand.
