

LGA Social Committee

The Social Committee, composed of up to three individuals, orchestrates the Luncheon portion of the shot gun events for the LGA. The areas assigned to the Committee are:

For the January kickoff:

- Work with the President and Vice President to coordinate all functions of the event.
- Choose a theme and decorate accordingly.
- Choose a person to lead the group in prayer and pledge.

- Present tip money (from the November 50/50) for the wait staff (\$1.00 pp for buffets and \$1.50 for plated).
- Work with VP and President to determine furniture and equipment needs (podium, flag, microphone, etc.). Communicate this to the club's Event Manager.

For the Shotgun events with food components:

- Choose the menu for the luncheon that follows play, and securing the contract with the club's Event Manager
- Choose a theme for the day and decorate tables for the event. Communicate the theme to the scoring committee so the "game" can reflect the theme where possible.
- Number the tables according to the holes being used that day (it differs each time).
- Collect tips for the wait staff (\$1.00 for buffets and \$1.50 for plated luncheons) and give to the banquet manager. This money usually comes from the Mulligans sold that day. If Mulligans were not a part of the day, the tip money would come from the 50/50 or directly from the treasury.
- Choose a person to lead the group in prayer and pledge, and arrange for flag, podium, and microphone.

For the President's Appreciation Shotgun events:

- Send invitations to past presidents to coordinate their play and dining.
- Purchase a small appreciation gift for attending Past Presidents (refer to binder and coordinate with Treasurer for funding details).

Each year the committee is allotted \$50.00 for expenses in addition to the money collected at the November 50/50. This money is cover expenses at the shotgun events and kickoff. Gifts or door prizes may or may not be part of the Kick Off.
