## **CHOOSING YOUR TEE**

Members will specify whether they are joining Division A - competing from the Azalea tees or Division B - competing from the Burden tees. Members may switch their tee selection one time per year. Fifty-four (54) holes or an index from rounds at a past club will be used to establish a handicap for 18 holes allowing the player to compete for prizes.

All LGA tournaments/shotguns will be played from the players declared tees.

In order to be eligible for team play, a person's index must be predominately established from the Woodside Tees.

# WOODSIDE COUNTRY CLUB NEW MEMBER ORIENTATION MANUAL

## **THURSDAY AND SATURDAY PLAY**

Woodside Ladies Golf Association play day shall be Thursday or Saturday of each week. Thursday is the regular play day. Specific procedures are detailed in the LGA Play Day Procedures.

We ask all members to do their part to help the LGA keep their preferred Thursday tee times and to keep the option open for occasional Saturday play. This will help ensure that our preferred tee times for Thursday remain intact.

## IMPORTANT NOTICES

### LGA Reporter Email Notifications

Most of your communication regarding the LGA will come from [lgareporter@aol.com](mailto:lgareporter@aol.com).

- Weekly Winners
- LGA Board Minutes
- LGA Events
- LGA Reminders
- LGA General Information
- Sympathy Notices

Some information comes from the Pro Shop via email. Your Thursday play schedule comes from [auto-send@foretees.com](mailto:auto-send@foretees.com) and will show your tee time and foursome.

If someone in your foursome cancels play, you will get an email from [auto-send@foretees.com](mailto:auto-send@foretees.com) about the cancellation. If you decide not to play on Thursday, you need to remove your name from Fore-tees and call someone in your foursome to tell them you are going to cancel. This is a courtesy to your group so they do not wait for you on the first tee.

Our best way of communicating through the LGA is [lgareporter@gmail.com](mailto:lgareporter@gmail.com), so please read all the posts.

### Luncheons

48-hour notice is required when cancelling from an LGA tournament and luncheon. Please contact Rob Kinard in the Pro Shop and Daniella/Tanya in Food & Beverage to give notice. Do not leave a message in their voicemail.

## HANDICAP PROCEDURES

The current procedure to review accuracy of posting scores as outlined in the attachment to the 2021 WLGS Golf Handbook will continue to be enforced.

The LGA Board voted to implement this procedure for the review of posting of scores on Thursday/Saturday play days. This will also pertain to scores from rounds played outside of Woodside, as well as CSRA events. If you play on Thursday/Saturday play days, or in a CSRA event, you are responsible for posting your score. All scores must be posted, no matter where you played, within one week of the play date.

The LGA Handicap Committee will follow the WCC policy and maintain a list of individuals who have not posted three consecutive scores and will notify them by e-mail and warn them of possible penalties. The 4<sup>th</sup> time and all future times, the member has not posted, the Tournament, Ringers and Birdies/Chip-ins Committees will be notified and the player will forfeit any points and any awards earned for the date of play. If this infraction continues, the member will not be eligible to play with the LGA the following month. As part of the score card review process, the LGA Handicap Committee will continue to monitor the scores for Equitable Stroke Control (ESC). Any corrections will be made by the Committee with notification sent to the individual.

Please remember to check your handicap prior to play. The handicaps are posted in the folder next to the computer in the Pro Shop.

## POSTING SCORES

Post scores on pro shop computer GHIN website/app. Posting of your score must be done on the date of play.

# WOODSIDE COUNTRY CLUB NEW MEMBER ORIENTATION MANUAL

## RINGERS

You may sign up to participate in the Ringers Tournament on both the Jones and Cupp courses. The cost is \$4.00 for the year. The Ringer game is set up with each hole on each course.

Your first scorecard on each course is used to start the Ringer Tournament. Hole scores will be taken from Thursday or Saturday LGA games. Each scorecard must be signed, dated and attested. Each hole that you play each week is compared with the first scorecard you turned in. As your score improves on each hole, that score is noted on a tally sheet. It is a challenge for each member to try to improve her score over each hole played.

Players that are **DQ'd or WD**, are not eligible for Ringers on that game day.

Ringers will not count when temporary greens are in use.

At the end of the WLGA year, all the scores are totaled and prizes given for low gross and low net per flight for each course, as well as most improved handicap.

The Ringer sheets for both courses are posted in the ladies' cardroom so participants can see what holes need to be worked on and improve their scoring average.

### **HOLE-IN-ONE**

You may join/subscribe to the WLGA Hole-In-One Club by being a member of the 18-hole and/or the 9-hole Ladies' Golf Associations of Woodside Plantation. This is done through the LGA Treasurer, who forwards this information to the Club's accountant.

To be eligible to win the pot, the hole-in-one must be scored during any regular round of golf played at Woodside. This includes an 18-hole or 9-hole round. It may be played any day of the week.

To be eligible to win the pot, the hole-in-one must be scored during a round of golf that can be turned in for handicap purposes. Note: An eligible round of golf does not include alternate shot games or captain's choice games.

The round of golf should be attested by a fellow player.

Each time a Woodside female golf member, who has joined the Hole-In-One Club, gets a hole-in-one, \$1.00 will be charged to participating members' Woodside account.

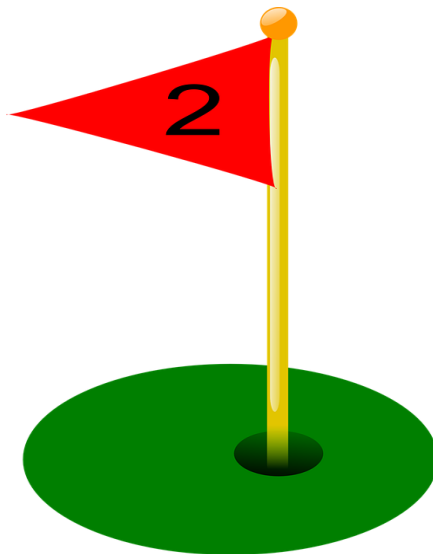

If you are a member of the Hole-In-One Club and get a hole-in-one, your Woodside account will be credited \$1.00 for each participating Woodside Hole-In-One Club female member.

## THE TWO CLUB

The “2 – Club “ is a group of ladies that have come together to reward each other when a lady golfer gets a 2 on any hole. While the club is not technically part of the WLGA, many WLGA women participate. To start, there is an initiation of \$1.00 to join when a member gets a two. Subsequently, any player who scores a two, when playing with another “2-Club” member is paid \$1.00 for that accomplishment.

For complete details and should you wish to become a “2-Club” member, please contact Mary Vogel @ 803-641-7470 or [boomer@gforcecable.com](mailto:boomer@gforcecable.com).

The tournaments are held at a different member clubs in every month but December and January and are open to any 18-hole golfer who is a CSRA member. To participate in a CSRA event, you must have twenty (20) posted scores from Woodside Plantation. (If a woman belongs to two clubs, she must declare one club as her home club. All tournament fees must be paid through the CSRA club representative only and submitted to the host club by the deadline. The Woodside CSRA club representative will post a sheet in the Ladies Locker Room announcing the club to be played each month, the cost and number of members who can participate. (If there are more ladies who want to participate than spots available, those who have participated in the most tournaments will get first priority). Once the entry sheet has been submitted, no further entries are accepted.

Round Robin tournaments check-in is 8:30 a.m. at the host club, with a shotgun start at 9 a.m. (unless otherwise posted). A luncheon and short awards presentation follows play. Prizes are awarded on a gross and net basis, with a low gross and low net of the field and a low gross and low net in each flight. In most cases, prizes are in the form of gift certificates redeemable at the host club's Pro Shop. Each woman participating in a Round Robin, receives points toward the Memorial Cup awards, for attendance and for first through third in her flight.

***Cancellation Policy:*** A full refund will be given only if the cancellation is made 7 days before the tournament start date. Refund of the cart fee only may be made if the host club representative is notified of the withdrawal by 6 p.m. of the day prior to the day of the tournament. No fees will be refunded after the tournament begins. This policy applies to all CSRA WGA tournaments.

All tournaments are flighted according to USGA Index. All players play to a 40-handicap maximum.
